

Horowhenua

Horowhenua

Horowhenua is a district that can surprise you – with everything from unspoilt beaches to a thriving business hub. The secrets down our side roads are many and varied. When you're after a change of pace, when you mean business or when you want to discover new things – Horowhenua is the place where you can have it all.

Relax and unwind

Horowhenua is one of the best kept secrets in the North Island. With more than 40kms of beaches and 80 parks and reserves, including the Tararua Forest Park, Horowhenua has conservation areas, walkways and cycleways, and attractions you can enjoy all year round.

Unspoilt beaches

Our district boasts its own sunny microclimate, which means you get to enjoy summer a little longer here on our beautiful

sandy beaches; perfect for enjoying swimming, boating, surfing, fishing and diving – or just building sandcastles with the children.

Explore

There really is something for everyone in Horowhenua. Take the kids to Levin's Adventure Park, Owlcatraz in Shannon, or the Levin Aquatic Centre with its hydroslide and inflatables. Head for the hills for some fantastic tramping and mountain biking or, for a gentler pace, experience Manawātū

Estuary with its RAMSAR-listed Wetland of International Importance. Visit Te Awahou Riverside Cultural Park with its windmill, Dutch cuisine, Māori arts and crafts, flax museum, and the award-winning cultural hub Te Awahou Nieuwe Stroom.

Your pick of accommodation

We have a range of places to stay to suit every budget from bachs and cute seaside cottages to motels, farm stays, campsites and freedom camping.
