welcome to
MORRINSVILLE

You will find us nestled between the Kaimai Ranges and the mighty Waikato River. Morrinsville "Cream of the Country" is set on easy rolling terrain, surrounded by some of the best farmland in New Zealand in the heart of the Dairy Industry. You don't have to travel far to see 'cows'; in fact, there are even cows in the Centre of town and on the outskirts of Morrinsville. That's right, full sized 'bright coloured cows (with personality a plenty)'. Added to the herd is "Mabel" our Mega Cow who stands proudly on the approach to town. She arrived in June 2017 and certainly can be described as the "mother of all cows". A highlight for locals and visitors to have a photo beside her. Small rural New Zealand we may be but stop a while and meet some of the locals and you will see we have it all. An assortment of eateries to satisfy a variety of taste buds! Great accommodation; a fine selection of retail shops; large and small businesses.

During your visit, take in the Wallace Art Gallery and check out the constantly changing exhibitions from some amazing Artists. The Morrinsville Museum has recently added The Mana Whenua of Piako Exhibition, this along with other exhibits of times gone by is a 'must see'.

If walking is your pleasure, we have many to choose from, from a quiet stroll along the River Walk in town to following the 'Heritage Trail', or perhaps a 'bush walk' at the Pukemokemoke Bush Reserve.

The "Morrinsville Country Market" on the 1st Saturday of each month (excluding January) is a farmer's market run jointly by the local Morrinsville Lions & Rotary Clubs.
